

Daily Camp Adventure...

What sets the Mainstay Life Services' Summer Respite & Recreation Program apart from most traditional summer camps or programs is its ability to take advantage of the rich variety of recreational and cultural opportunities that Pittsburgh and the surrounding region offers.

Summer Program participants eat most of their meals at a college dining hall, and are able to use recreational facilities on campus, although most activities take place off campus.

Individuals attending the camp can participate in daily activities including:

- Pirates games
- Gateway Clipper fleet riverboat cruises
- Bowling
- Kennywood Park
- Movies
- Mini Golf
- Outings to restaurants
- Cookouts
- Idlewild Park
- Pittsburgh Zoo
- Phipps Conservatory
- The National Aviary
- Museums
- Swimming
- A Farewell Dance at the end of each session

Camp Staff...

Mainstay Life Services' Summer Respite & Recreation Program is staffed 24-hours-a-day. Most staff members are professionals who have experience in the education and mental retardation fields. Some are college students who are planning to enter those professions.

Training for all staff is provided by Mainstay Life Services. Most camp staff are dedicated veterans who return to the camp summer after summer.

Be a Part of the Energy and Excitement...

The success of Mainstay Life Services' Summer Respite & Recreation Program can be measured by the fact that most of the participants want to return each year. Each year the camp fills all available slots before the registration deadline.

First-time visitors to the camp are usually struck by the high level of energy and excitement. Mainstay Life Services is committed to maintaining the high quality of the camp and providing opportunities for recreation and socialization that might not otherwise be available to adults with mental retardation and other developmental disabilities.

Information...

What is Mainstay Life Services' Summer Respite & Recreation Program?

- Since 1977, Mainstay Life Services' Summer Respite & Recreation Program has offered a unique socialization experience for adults with developmental disabilities.
- This program is held every July on a college campus in Pittsburgh.
- Participants choose from one or two week sessions and room in a college dormitory while they attend the camp.
- 30 individuals participate in the camp at any given time.
- Camp participation is open to adults
- The camp allows individuals to engage in recreational activities and social interactions that they might not otherwise have an opportunity to experience.
- Mainstay Life Services' Summer Program also serves as a respite program for families.
- Mainstay Life Services' Summer Program is a member of the American Camp Association.

Mainstay Life Services is a non-profit organization that provides community living arrangements and supports for individuals with developmental disabilities and their families in Western Pennsylvania.

Our Mission

Mainstay Life Services is committed to ensuring that people with developmental disabilities live full, active lives within the community and realize their vision of a desirable future.

All our endeavors will be guided by the goal of providing services to develop each person's full potential for community participation, inclusion, and personal development.

We will provide support with sensitivity, respect, dignity, compassion, and responsiveness to individual needs.
